Together, We Can Make a Difference.

Invest in People. Support the Journey. Change Lives.

Horses build stronger people and brighter tomorrows.

Making Memories

Sponsorships Make a Difference

At HOPE Therapeutic Riding Center, we believe some of the most meaningful changes happen one small step—and one hoofprint—at a time.

Every day, our horses help create opportunities for children, teens, adults, and families to discover confidence, connection, courage, independence, and HOPE. Through therapeutic riding, equine-assisted learning, life coaching, mentoring, and recreational opportunities, participants are given a safe and nurturing place where they can learn, grow, heal, and thrive.

But we don't do this work alone. As a nonprofit organization, the generosity of businesses, organizations, families, and individuals in our community helps make everything we do possible.

SUPPORTS OUR HORSES

Helps provide feed, hay, veterinary care, farrier services, equipment, and the everyday care they need to stay healthy, happy, and ready to serve.

HELPS OUR PARTICIPANTS

Keeps programs accessible through scholarships, adaptive equipment, program materials, facility improvements, and meaningful experiences.

STRENGTHENS OUR COMMUNITY

Invests in people, horses, families, and a brighter tomorrow for everyone we serve.

When you sponsor HOPE, you aren't simply supporting a program. You're investing in people, horses, families, and your community.

People ♡ Purpose ♡ Possibilities

Celebrating a Year of HOPE

Sponsorships also help make our **Year-End Celebration** of HOPE possible—a special opportunity to bring our HOPE family together and celebrate everything our participants and community have accomplished throughout the year.

It's a time to recognize participants for their growth, courage, perseverance, horsemanship, and accomplishments; celebrate our volunteers, horses, families, supporters, and community partners; and present year-end prizes and awards earned throughout our programs and Leaving Hoofprints Trail Challenges.

Behind every award is a story—and behind so many of those stories are people and businesses who choose to believe in our mission.

Be Part of Something Bigger.

Your sponsorship doesn't end when an event is over. Its impact continues in every lesson taught, every horse cared for, every confidence-building moment, and every participant who leaves our farm believing a little more deeply in themselves and their future.

Together, we can make a difference.

Leave Hoofprints for HOPE.
